### Class Rank

Class rank is a student’s academic standing in the class in relation to other classmates. Students may earn quality points for use in determining grade point averages and class rank in all courses counted as diploma units according to the following schedule. The level assigned to each course offered in the high schools will be published in the District Master Course Catalog and shall be reviewed each year by the Division of Instruction.

Class rank will be calculated by dividing the total number of units attempted into the total number of quality points accumulated. Quality points will be calculated by multiplying the value of the grade for the course times the credit value of the course. Students transferring into the District from other school districts will receive quality points for course work to be counted toward a SC high school diploma using the procedure outlined above. Numerical grades, as available, will be used to determine grade points when letter grades equate to numerical values different than those used in the Georgetown County Public Schools.

### Grading System

**From Policy IHA**

The Georgetown County Board of Education recognizes the importance of a student achievement grading system which is meaningful to students, parents, and school personnel. The SC uniform grading policy will be used in grades 2 – 12.

\[
\begin{align*}
A & = (90 - 100) \\
B & = (80 - 89) \\
C & = (70 - 79) \\
D & = (60 - 69) \\
F & = (51 - 59) \\
I & = \text{Incomplete Work}
\end{align*}
\]

Students will receive instruction in all of the content curriculum standards with an overall grade of 60% in each subject.

**WP**  
Withdrawn Passing  
Withdrawn passing means a student may withdraw from a course within 3 days in a 45-day course, 5 days in a 90-day course, or 10 days in a 180-day course.

**WF**  
Withdrawn Failing  
Students who withdraw after the specified time listed above shall be assigned a WF and the F will be calculated in the student’s overall grade point average/ratio with a grade of 50

**Credit Recovery**  
Credit recovery will be available through the South Carolina Virtual School as with no more than two (2) courses per school year recommended to be recovered. All courses to be recovered will remain on the official transcript and each Credit Recovery Course will be denoted by a CR. All course content must be recovered with a passing grade provided by the South Carolina Virtual School. Only then will credit be accrued. Quality Points will be configured in accordance with the Uniform Grading Policy. Course or course level changes for a student can be initiated by the administration of a school with a teacher recommendation without penalty to the student.

Final examinations will be a component of each course offered in grades 9-12 and will count as 20% of the final grade.

In grades K – 12, schools will use district-adopted report cards to report student progress at nine-week intervals. Interim reports will be issued at the midpoint of the grading period for all students in grades K -12.

**Promotion and Retention**

**GRADES 9 – 12**  
For promotion from one grade to another, students must be taught all of the curriculum standards in required courses for high school graduation. Students must successfully achieve a grade of 60% or higher in required content areas.

**CLASSIFICATION**  
The following requirements must be met in order to receive a diploma:

- To be classified as a sophomore, a student must have earned a minimum of four units. Those units must include at least one unit in English, one unit in mathematics, and one unit in social studies.
To be classified as a junior, a student must have earned a minimum of twelve units. Those units must include two units of English, two units of mathematics, one unit of social studies, and one unit of science.

To be classified as a senior, a student must have earned a minimum of sixteen units. Those units must include three units of English, three units of mathematics, two units of social studies (one of which must be United States History), and two units of science.

Students will be classified only at the beginning of a school year.

**ATTENDANCE**

In addition to the previously stated standards for promotion, all students must meet State and Georgetown County School District attendance requirements.

**SPECIAL EDUCATION PROGRAM**

Promotion/Retention for a student served in special education is determined by the student’s current individualized education program (IEP). If a special education student’s IEP states that alternative promotion/retention standards are required, those alternative promotion/retention standards must be described by the IEP committee on the student’s IEP. If a student’s IEP does not require alternative promotion and retention standards, he/she would be subject to the requirements specified elsewhere in this policy.

Early Graduation

The Georgetown County School District recognizes the value of a complete high school program and encourages academic excellence. Therefore, the Board will consider early graduation only for students who, at the end of the junior year, will have acquired at least the units of credit required by the State Board of Education for a State High School Diploma. Students who wish to graduate early must file a request in the Guidance Office no later than November 1 of each school year.

Honor Graduates

Students who have earned at least 28 credits and who have outstanding academic performance will be recognized as Honor Graduates with one of the following accolades:

1. With Highest Honors: Students with a 4.5 weighted GPR will wear the gold honor cord as part of their graduation attire.
2. With Honors: Students with a 4.0 weighted GPR will wear the silver honor cord as part of their graduation attire.

The GPR for honor graduates is determined by using the weighted rank and is calculated after the first semester of the 2nd term.

The valedictorian and salutatorian shall be students who enrolled early enough to be eligible for a report card the first grading period of their junior year and attended continuously until graduation and who have earned at least 28 credits. In case of a tie, co-valedictorians or co-salutatorians will be named.

Graduates of the adult education program will receive their diplomas at a district wide commencement.

Marshals and Ushers

Marshals and ushers for the graduation exercises are the top ten students from the Junior Class, based upon their 135th day, weighted academic averages. The four marshals are the four juniors who have the highest 135-day academic averages. The six ushers are the juniors who have the next highest 135 day academic averages.

Honors Certificate

Criteria:

1. A minimum of 28 Carnegie Units and qualify for a South Carolina high school certificate
2. A minimum Grade Point Average of 3.5 on the State Uniform Grading Scale
3. A minimum composite SAT score of 1200 or a composite ACT score of 27
4. A minimum of three (3) courses at the Advanced Placement (AP), or College (Dual Credit) level with 2 of the 3 at the AP level.
5. Three Carnegie Units of foreign language
6. Students will present evidence of participation in one school-sponsored organization such as athletics, academic team, student government, clubs, etc. each year in grades 9-12, or complete 50 hours of approved community service accumulated during high school

Final determination of eligibility for the Honors Certificate will be made after the 135th day of school in the semester prior to graduation. Schools, in consultation with the appropriate district administration, will retain the right to revoke the Honors Certificate in the event of any egregious offense(s).

High School Credits

For high school students (grades 9-12), parents or guardians may send notes to confirm up to 10 days in a year-long course, 5 days of illness in a semester course and 3 days in a half semester course. Without sufficient documentation, all other absences will be unexcused. Course credit will not be awarded unless a student has been in attendance for a minimum total of 170 days for year-long courses; 85 days for semester courses; or 42 days for half-semester courses.

National Honor Society
The NHS is open to juniors and seniors who meet and maintain certain standards as set forth by the National Council: scholarship (GPA), leadership, service and character. Students must achieve and maintain a 3.7 GPA, demonstrate leadership within the school and/or community, provide service to the school or community and exhibit exemplary character. The Faculty Council will make final decisions about selection for membership.

**Pledge of Allegiance and Minute of Silence**

The Pledge of Allegiance and a minute of silence are to be observed each day.

**Textbooks**

Textbooks are owned by the State Department of Education, and each student is responsible for textbooks issued to him/her. Students should check the textbooks carefully when issued and be sure the teacher is aware of any previous damage or abuse to the textbooks.

All basic texts are loaned to students for their use during the school year. The students pay for other supplies. Textbooks are to be kept clean and handled carefully. Student’s name, grade and school are written on the book label in case the book is misplaced. Lending or borrowing state textbooks is prohibited.

If a textbook is lost, a student should check immediately with the subject teacher. Any textbooks turned in to the office will be returned to the subject teacher or to the bookroom. **Students must pay for lost or damaged textbooks.**

**Classroom Preparation**

It is very important that a student report to class prepared. This includes bringing to class the necessary materials (books, paper, pencil, etc.) Continued lack of preparation will necessitate a conference with the parents at school or more stern disciplinary measures.

**Extended Day**

The Extended Day Program offered throughout the year, as the budget allows, is an effort to re-teach and remediate skills that are required of our students, and to allow students an opportunity to master objectives. Students should make arrangements to stay on the days assigned by their teachers when they need assistance. Check with teachers or on their personal school website for details.

**Non-Instructional Routines**

**Absences**

*From Policy JED-R:*

**Excused absences shall include the following:**

- Absences due to illness, injury, death in the family, or some other insurmountable condition.
  - The fact that attendance was impracticable or inadvisable due to any of these reasons must be confirmed by the student’s parent, guardian, or licensed physician to school officials, normally within 2 days of the student’s return to school. Written documentation will be required in individual cases.
- Documented appointments with health care professionals.
- Documented absence for religious instruction or a religious holiday
Absence due to participation in an academic class approved by the principal.
Absence due to participation in athletic tournaments and playoff game(s).
Absence due to the mechanical failure of the school bus.
Absence due to Court appearances (Official documentation must be provided).

All other absences are considered unexcused. All students with at least three consecutive unexcused absences or five overall unexcused absences will be classified as truant. All students that are absent (excused or unexcused) at least 10% of their days of enrollment will be classified as chronically absent. Parents should be notified by phone when their student is absent. Please contact your school if you are not getting these notifications. Your school can also provide you with access to the Parent Portal where you can track both student attendance and grades daily.

**Excuses**

Excuses should be presented at the designated school office prior to the beginning of school, during lunch periods, or after school. Students will not be excused from a tardy for the purpose of turning in any excuses. Students should turn in excuses within 3 days of returning to school after an absence. Medical excuses must be on legal stationary or have an original stamp; copies will not be accepted. Credit can be denied for classes with excessive absences (5 unexcused absences for semester courses and 3 unexcused absences for half-semester courses are allowed).

**School Missed Due To Transportation**

Students who are late to class or miss class periods due to mechanical failure of a school bus will be excused. This does not include other means of transportation.

**Parent Trips**

Students who accompany their parents on extended trips that cause them to miss school may lose credit if the number of unexcused days exceeds 5 days for any course in a semester, or 3 days in a half-semester class. The principal or his/her designee may excuse trips if they have educational value. However, a written request must be made by the parent(s) before the trip.

**Tardy to School/Class**

Students who are tardy to school must report to the Attendance Office/Designated Area for an admittance pass before they will be allowed to class. Students are still responsible for all work missed.

**Suggested Consequences for Unexcused Tardies:**

1. **1st Offense**………………Conference
2. **2nd Offense**………………Conference
3. **3rd Offense**………………Parent Notification
4. **4th Offense**………………Detention or In-School Suspension
5. **5th Offense**………………Suspension

The administration has the discretion to adjust the consequences. These consequences are to be for each student tardy incident.

**Areas Off Limits to Students**

1. bus and student parking lots, except when arriving at or leaving school
2. areas outside of the building not in direct route to a classroom during class changes or without a pass
3. the hallways or restrooms during instructional time unless you have a signed pass
4. gym and auditorium, unless scheduled for a physical education class
5. the main office where mailboxes are located
6. the nurse’s office without a pass
7. faculty workrooms and faculty restrooms
8. other areas designated by the administration

**Book Bag Rules**
**Book bags will be allowed at the discretion of the administration. If allowed** and in the interest of safety, students must keep the bags in their lockers during the day. School administrators will determine the size and type of book bags that will be allowed.

**Dress Code**

Student dress and grooming should be neat, clean, and appropriate. The Board reserves the right to bar from school those students whose personal appearance is disruptive to the educational process and orderly operation of the school or presents a health or safety concern. As long as clothes are not disruptive to the educational process, as judged by the administrative team of a school, the attire will be acceptable. Clothing must be worn as the manufacturer intended. In complying with the above, the following guidelines are suggested:

1. Belts should be buckled, sashes tied, and buttons buttoned, except at the neck. Pants should be worn at the waist.
2. Shoe laces should be tied, buckled or worn as the manufacturer intended. Shoes that cause undue attention or a health and safety hazard should be avoided.
3. Clothing, buttons, signs or other adornments which display pictures or language of an obscene nature or are related to the use of consumption of alcoholic beverages or controlled substances should not be worn.
4. Hats, caps or head scarves should not be worn inside the building.
5. Sunglasses should not be worn inside the school, unless they are necessary for correction of medical problems.
6. Students’ hair, including any facial hair, should be neat, clean and well groomed.
7. Clothes should be worn with appropriate undergarments. Undershirts customarily worn as undergarments should not be worn without shirts or blouses. Undergarments should be covered by outerwear. Tank tops, sheer blouses or shirts that cause undue attention should be avoided.
8. Combs (except for barrette-style combs), hair curlers and picks should not be worn in the hair.

**EMERGENCY DRILLS**

South Carolina law requires schools to conduct at least two fire drills, two active shooter/intruder drills, and two severe weather/earthquake drills, with at least one of each drill conducted each semester.

**Active Shooter/Intruder Drills**

**Lockdown:** Lockdown is a classroom-based protocol that requires locking the classroom door, turning off the lights and placing students out of sight of any corridor windows. A Lockdown is usually implemented when it has been determined a threat is within the building.

**Lockout:** A Lockout is called for when there is a threat outside of the building. A Lockout recovers all students from outside the building, secures the building perimeter and locks all outside doors. While the Lockout response encourages greater staff situational awareness, it allows for educational practices to continue with little classroom interruption or distraction.

**Earthquake Drills**

Earthquake drills are designed to help students learn and practice where to seek shelter and how to protect their heads and bodies from falling objects. Classroom earthquake drills involve turning away from windows, then drop and cover under a heavy desk, table or bench until the shaking stops.

**Tornado Drills**

Signal: The move-to-shelter signal will be by a prolonged blasting of an air horn.

Safe Shelter areas are assigned: Students in the building should move quickly to the areas designated as safe.

**Tornado Evacuation**

1. The signal to evacuate the building will be the continuous ringing of the school bell or the blowing of a referee’s whistle.
2. Evacuate the building using routes designated as a post-tornado evacuation route.
3. **Note:** It is important for safety reasons that everyone is required to be orderly and quiet. Silence should be maintained so that communications to and from the emergency control center will remain open.
Fire Drills

Fire drills are held regularly during the year. Students’ cooperation is needed to evacuate the building safely. The signal for a fire drill is one long blast on the buzzer. At this time, everyone is required to evacuate the building during a fire drill and follow these procedures:

1. Walk single file through the appointed exit into the yard a safe distance from the building.
2. Remain outside until the all-clear signal is given. A fire evacuation plan is posted in each room. Students should be familiar with it. One (1) continuous ring will be the signal for the fire drill. A bullhorn and/or whistle will be used in an emergency.
3. When the fire alarm sounds, students will immediately stand, exit the room, and then the building at the nearest exit. Running or horseplay is not permitted. The first students to reach an outside door are to hold it open until all have left the building.

ALL EVACUATION PROCEDURES ARE EXPLAINED IN DETAIL BY THE TEACHER AND POSTED IN EACH CLASSROOM; FIRE EXIT INSTRUCTIONS ARE POSTED IN EACH CLASSROOM AT THE DOOR.

Food and Drink

Food and drink are restricted to the lunchroom and commons areas unless otherwise designated by the administration. No snacks or drinks are allowed in any classrooms or hallways.

Hallways

Students should walk on the right hand side of the hall and move quickly and quietly through the halls without running, pushing, or playing. Loitering in the halls is strictly prohibited at any time.

Hall Passes

No passes will be issued except in cases of emergency or for the purpose of instructional activities assigned by the teachers. Any student out of an assigned class MUST have their regularly assigned teacher’s hall pass with them. Students are to sign the sign-out sheet in the classroom before leaving any class, giving the time, date and destination. They must sign back in when they return to class. Students are not to leave a class unless it is an absolute necessity. Any student found in the building or grounds without such a pass, in a location other than specified on the sign-out sheet, or off the most direct route to the class or destination will be disciplined. Only on rare occasions will teachers need students from other classes. When this is necessary, it is the responsibility of the teacher needing the students to make arrangements with the students’ current teacher. This is not the responsibility of the student.

Consequences for not properly signing out and/or violation of being at another location other than the designated area: 1st offense: Overnight Suspension; 2nd offense and all subsequent offenses: 1 day suspension

Lost and Found

Articles found should be turned in to the office. Students may ask in the office concerning the lost item. The school is not responsible for personal belongings, money, etc. brought to school. An attempt will be made to find owners of lost items; however, the school will not “warehouse” these items indefinitely.

School Meals

All Georgetown County Schools offer a breakfast and lunch for students. The meals follow the meal patterns set by the U. S. Department of Agriculture (USDA) for the National School Lunch and School Breakfast programs and are based on the U.S. Dietary Guidelines. Breakfast includes a meat/meat alternate with a bread/bread alternate OR two breads. Fruit or fruit juice and a choice of milk are offered with each breakfast. Lunch includes a meat/meat alternate, two vegetables or fruits (or one of each), a bread/bread alternate, and choice of milk. Each day at least two meats / meat alternate, two vegetables, and two fruits are available for students to choose for a lunch meal. Portion sizes follow USDA serving recommendations.
The USDA requires that students who wish to pay the student price for meals or use free or reduced meal benefits (if the family is eligible) MUST take at least 3 of the 4 choices served for breakfast and at least 3 of the 5 choices served for lunch. Food may be purchased as a single item but is priced to encourage choosing the meal.

Meals are offered at reasonable prices. Reduced-price and free meals are available for students whose families qualify, based upon income and family size. Application forms to determine eligibility are sent home with each student or given to each student during registration. Application forms are available in school offices, cafeterias, and at the district’s administrative office. Only one application form per household is required, even though all children in a family are given an application. A new application is required each school year. Children of families receiving assistance from the S.C. Department of Social Services may automatically qualify for free meal benefits and will be notified by letter at the beginning of school. If a letter is not received, the family needs to fill out a meal application in order to receive meal benefits, if eligible.

Parents may pay by the day, week, month, or for the entire school year. Refunds, upon request, will be issued at the end of the school year for amounts not used. Balances may be carried forward into the next school year.

For questions or comments, contact the district’s Food Services Department at 436-7078.

Lunch Program

Computers make it possible for students to deposit money into their account. Students are encouraged to use “direct deposit,” allowing the lunch line to move at a faster pace. Students may deposit money into their account before school or during lunch.

1. Students are required to enter the cafeteria by the end of the tardy bell.
2. A La Carte and extra milk are available for purchase.
3. Students will not be permitted to eat lunch on credit.
4. Depositing food or trash on the floors and tables or leaving trays on the tables will result in disciplinary action.
5. A free lunch and reduced price lunch program is available to students who qualify. Application forms will be given to each student.
6. Students are required to use their ID badges for lunch. Cards cannot be shared and cannot be used by anyone other than the rightful owner.
7. Food or drink cannot be carried out of the cafeteria.
8. According to Federal regulations (USDA) every student must present his/her ID badge to the cashier even if paying cash at lunchtime.
9. Lost ID badges may be purchased in designated locations for $5.00.

Lunchroom

Any student who is found breaking in the lunch lines will receive appropriate disciplinary action. Seniors Only have “head of the line” privileges until the tardy bell rings. Any student who fails to return his/her tray to the designated area will be referred to the appropriate grade-level administrator for disciplinary action.

Visitors

Students are not permitted to bring visitors to school without the prior approval of the administration. All visitors must report to the office immediately upon their arrival. Students from other school districts are not allowed to visit during lunch breaks and should not be on campus before or after school to visit.

Clubs

Students are encouraged to become involved in extra-curricular activities. There are many clubs offered at the four Georgetown County High Schools. Check with the schools for details.

I.D. Badges

Students will be required to wear I.D. badges while at school. I.D.s are to be worn on a lanyard around the neck. The office will maintain a database and the appropriate consequence will be administered to correct the student’s actions in accordance with present policy.

Privileges accompany compliance for the following:
1. Lunch checkout
2. Visiting or Checking out items from the Media Center
3. Field Studies / Trips off campus
4. Attending Pep Rallies
5. Being an on-site Student Assistant (Service Learning)
6. Movement through the hallways with a pass during instructional time.
8. Visiting student stores

Students not having their I.D. tags will be responsible for securing a replacement I.D. to use as soon as possible. I.D. replacements can be purchased for $5.00 and lanyards replaced for $1.00.

**Assemblies**

Assemblies are a regularly scheduled part of the curriculum and as such are designed to be educational as well as entertaining experiences. They provide one of the few opportunities in school for students to learn formal audience behavior. Regardless of the type of program, courtesy demands that the student body demonstrate respect and appreciation. Talking, whispering, whistling, stamping of feet and booing are discourteous. Yelling is appropriate only at pep assemblies.

1. Do not bring books or coats to the assembly unless instructed to do so.
2. Proceed to the assembly area quietly and promptly. Find your seat quickly.
3. When the person in charge steps to the podium, the audience should come to order and give their immediate attention to that person. This is proper protocol. The person in charge should not have to ask for your attention.
4. Be courteous. Don’t use an interval of applause or the short time between numbers to start conversation.
5. Applause should be generous, courteous, and appropriate to the program presented. Never applaud during or after a devotional or memorial assembly.
6. Students should remain in their seat areas. Students are not to be in the aisles or performance area.
7. Once dismissed, leave the assembly in an orderly fashion.

**Early Dismissal/Signing Out of School**

Students are expected to attend all classes each day of the school year, except for medical and family emergencies. In case of any emergency or unusual need to leave campus before the end of the school day, students should follow the procedures described below:

1. A note written by the parent should be presented to the office.
2. Each note should include the student’s name, time of dismissal, date and parent’s signature.
3. Parents are to come in and sign students out.
4. All co-op/work base students will sign out in accordance with those procedures outlined for participating in the co-op/work based program.

**School Counselors**

School Counselor services are available in Georgetown County to assist students in overcoming problems which impede learning and to provide complete information and guidance in making effective educational, occupational and life plans which hold promise for personal fulfillment as mature and responsible men and women.

Students are encouraged to visit the guidance department between 8:00 a.m. and 3:30 p.m. on school days. Parents may call the guidance office to discuss problems or to arrange appointments.

Students are urged to contact the guidance counselor when they feel they are experiencing difficulty in a class, need help in planning or adjusting, would like to discuss vocational interests, need an interpretation of various test scores, need to discuss personal problems, or want information about future educational opportunities.
Schedule Changes

When students choose a course, they are expected to complete the course. A schedule change will be made only if one of the following criteria applies and is verified by the guidance office:

1. The student has already passed this course.
2. The student has been placed in the incorrect level of the course.

Student Withdrawal and Transfer

Students withdrawing or transferring from school must pick up a withdrawal form and have it completed before withdrawing or transferring, return all books, etc. and pay all outstanding fees. The students must have parental permission to withdraw. No transcripts will be furnished until this process is completed.

Curriculum Catalogs

The guidance office has catalogs from all colleges and universities in SC and other states such as Georgia, Florida, and North Carolina. Students interested in attending any type of institution of higher learning should consult these catalogs. They provide entrance requirements, programs and degrees offered, tuition, and dormitory fees. Information is also given relating to financial aid granted by the college or university. If a catalog is not available, the guidance department will furnish students with information to obtain one. A SCOIS computer terminal is available in the guidance office and/or media center for students and faculty.

Testing Services

1. SC End-of-Course Exams: Algebra I; English I; Biology and U.S. History
2. SAT Qualifying Tests: Given in November and March at Georgetown High.
3. ACT: See guidance for information.
4. PSAT: Given during October at various test sites. Check with guidance.
5. Seniors planning on entering college are urged to take admission tests required by the individual colleges. The two major tests are SAT and ACT. Forms are available from the guidance department.

Transcripts

Transcripts of a student’s high school record may be prepared and mailed to a college or business firm ONLY upon written request. Each student may send two transcripts at no charge; however, there is a charge of one dollar ($1.00) for each additional transcript.

Graduate Follow-Up Service

The guidance department attempts to maintain an accurate file on graduates and dropouts. At the end of the senior year, each student completes a personal data sheet. Students are urged to report their plans to the guidance department to help in providing accurate information to improve the programs of each school and ultimately the district.

The GPA for honor graduates is determined by using the weighted rank and is calculated after the first semester of the 2nd term of the senior year. The valedictorian and salutatorian shall be students who enrolled early enough to be eligible for a report card the first grading period of their junior year and attended continuously until graduation and who have earned at least 28 credits. In case of a tie, co-vedictorians or co-salutatorians will be named.

Parent - Teacher Conferences

If a parent desires a conference with a teacher, the parent should call the guidance office and a convenient time will be arranged for the conference during the teacher’s planning period.

Media Center
The Media Center promotes the overall academic program at our school. **Students are to have their picture I.D. with the bar code to be able to check out books.** The following are guidelines for its use:

1. Media Center hours vary among the schools. Check with your media specialist for your school’s hours.
2. The Media Center is Open at Lunch for those students that have a **SIGNED PASS FROM ONE OF THEIR TEACHERS.**
3. Books are checked out for a period of two weeks.
4. Reference books may be checked out overnight.
5. Students must have a signed and dated pass to be admitted to the Media Center.
6. Students are responsible for all materials they check out from the Media Center. Lost books and materials must be paid for by the student who checks them out.

**Overdue Policy:**

1. Students may not check out additional books if they have an overdue book or fine.
2. Written overdue notices will be distributed each term.
3. A fine of five (5) cents per book per day is assessed for overdue books. Books may be returned and fines paid at a later date in order to make the book available to other students.
4. Books may be renewed by bringing them to the media center.
5. Some reference books may be borrowed overnight. Materials borrowed overnight are due back in the media center by the beginning of first block. A fine of $1.00 per day will be charged for reference items returned late.

**STUDENTS ARE NOT ALLOWED TO HAVE BOOK BAGS OR FOOD AND DRINKS IN THE MEDIA CENTER AT ANY TIME.**

### Medical

#### School Nurse

The nurse cares for minor injuries. More serious injuries are referred to the nurse so that a proper determination of services can be made. The nurse then reports to the parent(s) to arrange for care by the family physician of their choice. If a student becomes ill during the school day, a pass should be sent with the student to the nurse to determine the best course of action.

#### Medicine at School

The nurse will keep and dispense medications during the school day with written permission from parents or guardians only. **Students are not to take medicine at school without the nurse’s permission or without being under the supervision of the nurse or the nurse’s designee.** If you have a special medical condition, please inform the nurse as soon as possible.

#### Emergency Card

It is the responsibility of the parents or guardians to keep the school informed of any changes in the status of phone numbers, address changes, or additions or deletions to emergency contacts.

Student Athlete Behavior

Each student athlete is an ambassador of the school, the school district and his/her community. As in all extracurricular activities, athletic contests and practices are subject to the rules and policies of the disciplinary code of the Georgetown County Board of Education. Students, who participate in these activities, whether at home or away, are required to adhere to these rules and policies. Anyone found guilty of any infraction of these rules will be subject to disciplinary measures under these rules and/or by the school’s athletic department and administration.

Physical Education

Physical Education is a requirement for graduation. All students must participate in physical education or ROTC where offered. It is strongly urged that the student visit his family doctor for a complete physical examination before entering school. If any limitation is to be placed on participation in physical education, a written statement should be presented which clearly sets forth the limitations and is signed by the family doctor. This statement will be made a part of the student’s record. Students who fail the class may have to wait to be rescheduled for PE credit(s) during their senior year.

Transportation

Bus Conduct

Riding the school bus is a privilege. School buses are provided for transporting students who live more than one and one-half miles from the school. School bus stops on each route shall not be closer than two-tenths of a mile apart at safe points. Buses will not be permitted to leave the approved route for less than three-tenths of a mile, except under hazardous conditions and provided state funding is made available. During periods of inclement weather, buses may be allowed to stop on the regular route at safe points nearest the house of each child; however, buses shall not be permitted to leave the regular route. Buses leave school as soon as possible after dismissal. Students must observe all safety and behavior regulations while riding the bus. No students are allowed on buses during school hours while buses are parked on school grounds.
Bus Code

Students, given the privilege of transportation by the school district, are expected to adhere to the rules and regulations for the bus in order to retain this privilege, and students are expected to follow directions/instructions given by bus drivers. The bus driver has the responsibility for supervision of students on the bus. The driver should stop the bus at any time that misbehavior or threatened misbehavior poses a hazard to safe driving. Under no circumstances should a bus driver require a misbehaving student to leave a bus without assuring that the student is under appropriate adult supervision. The driver will report students who create a disturbance on school buses. The administrator, as authorized by state law and regulation, may suspend or deny bus transportation to a student whose conduct is persistently and/or flagrantly detrimental to safety and order on the bus, or the administrator may choose an appropriate alternative punishment. A parent or guardian shall be notified prior to the suspension of any pupil from the riding of a bus.

1. Bus riders are expected to be on time at the designated school bus stop and should wait until the bus comes to a complete stop before attempting to enter.
2. Bus riders must keep hands and heads inside the bus at all times.
3. Bus riders must never tamper with the bus.
4. Bus riders must not leave books, lunches or articles on the bus.
5. Bus riders must not throw anything out of the window.
6. Bus riders are not permitted to leave seats while bus is in motion.
7. Bus riders are to be courteous to fellow students and the driver.
8. Bus riders must be absolutely quiet when approaching a railroad crossing.

Conduct on Buses

The bus driver should be certain that the passengers understand and observe the following rules of safety.

Meeting the Bus

1. Students must be on time.
2. In approaching the bus stop, if students must walk along the highway, they should always walk on the left, on the shoulder, facing traffic.
3. When crossing the highway, they should walk, not run.
4. Students should not run beside the bus when the bus is moving, but they should wait until it stops and then walk to the door.

While Riding the Bus

1. Passengers are to be in their assigned seats and remain seated while the bus is in motion.
2. Passengers must never extend arms, legs, or head out of the bus.
3. Passengers should not talk to the driver while the bus is in motion, except in an emergency.
4. Passengers must never tamper with the emergency door or any other part of the bus equipment.
5. Passengers must not mar or deface the bus, and seat coverings must not be damaged in any manner. Students should immediately notify the driver of any damages to the seats or the bus.

8. Passengers are not permitted to open bus windows.
9. Passengers must not fight or scuffle on the bus or create a disturbance. Safe conduct is a priority.
10. Passengers must not wave or shout to pedestrians or occupants of other vehicles, or throw objects from the bus.
11. Books, lunchboxes or other objects should not be placed in the aisle of the bus.
12. Objects that are too large for safe passage will not be allowed on the bus. Check with your driver.

Carry-on Items to be Transported on School Buses

Band instruments, or other items, carried on a school bus must be of such size that they can be transported in the student’s lap. This is necessary to insure that all items are kept under control of the student at all times in case of an accident or an emergency. Glass objects, balloons, or large band instruments are prohibited.
School district compliance with this standard (United States Department of Transportation, National Highway Traffic Safety Administration, Standard 17, Pupil Transportation Safety) is mandatory. No student carry-on items can obstruct the orderly emergency or non-emergency exiting of the school bus. Carry-on items need to be secured to prohibit them from becoming flying objects in the event of an accident. Items on the seats, floor, or obstructing the aisles endanger all students on the bus.

**Leaving the Bus Once on School Grounds**

1. Passengers are to remain seated until the bus comes to a full stop and the door is opened for safe departure.
2. Passengers should leave in an orderly manner. Students in the front seats leave first.
3. Students must not loiter or play around stopped or parked bus.
4. Students should not enter a restricted area set aside for bus parking or loading unless the bus is stopped.

**Riding the Bus Home**

1. Passengers are permitted to leave only at regularly designated stops. Any changes must be made with the parent’s request approved by the school officials.
2. Students, after alighting from the bus (if they must cross the highway), go around to the front of the bus and wait until the bus driver or school bus patrol directs them to cross.

**Consequences for Breaking Bus Rules**

If a student is in violation of a level-one offense, the bus driver will
1. Warn student verbally (1st offense) (copy to office)

2. 5 days bus suspension (2nd offense)

4. Bus privileges revoked (4th offense)

If a student is in violation of a level-three offense, the bus driver will refer the student for immediate disciplinary action.
1. Assault and Battery
2. Occupying or blocking the school bus in any way with the intent to deprive others of its use

11. The threat to take the life of or inflict bodily harm upon the driver, aide/monitor, a teacher, principal, or member of their immediate family.

**Student Parking**

To be allowed to drive to school, students must register their vehicles with the appropriate school official. Students must show proof of license when registering their cars for parking permits, and should have their cars registered with the SC DOT. Students must have the school parking permit displayed in the vehicle at all times while on campus. Students will park cars in areas
designated for student parking. Vehicles found in unauthorized areas or without a permit are subject to being towed at the owner’s expense according to district policy. All students are to leave their cars upon arrival at school and will not use or return to the cars during the school day. Students are not to leave the school grounds once they arrive on campus. Students are not allowed in the parking lot during the school day without a pass from an administrator or office personnel. The parking fee at all high schools is $12.00 for the year. After spring break the fee is reduced to $6.00. Fees for parking permits will be used to improve the parking area and to provide security cameras and safety measures for the parking areas.

Field Trips and Excursions

Policy IICA- R: Appropriate instructional activities shall precede and follow each field trip. All field trips shall begin and end at school. Field trips requiring bus transportation shall not interfere with regularly scheduled transportation of students to/from school.

**Suggested Consequences:**  All Students

• out-of-school suspension (5 days)
• recommended expulsion
• restitution
• warrant - Mandatory recommended expulsion; Referral to appropriate law enforcement agency and Juvenile Justice Department is mandatory.

**First Offense:** Five day suspension, warrant issued, mandatory counseling (public or private). The student will have the period of suspension to show the school that he/she has started or is prepared to start a counseling program. The student must present to the school a written schedule of the counseling sessions, verified by the counseling center personnel. Written verification must be received by the school from the counseling center when the student completes the program. If the student does not successfully complete the counseling to the satisfaction of the counselor, a recommendation for expulsion will follow.

**Second Offense:** Recommendation for expulsion, warrant issued, mandatory counseling (in accordance with above stipulations) prior to readmission.

**Student Categories**
Suggested varying levels, which take into account the number of prior offenses, establish consequences a student has committed. Administrators have the option of moving to a higher consequence level in severe cases or moving to a lower consequence level if the situation warrants.

**Make-Up Work**
Make-up of work missed during any period of suspension is the responsibility of the student. Work must be made up within 5 days of the return to school.

**Cutting Class**
Being absent from class or classes without permission is an unexcused absence and an act of truancy. There is no legitimate reason for cutting or skipping. Cutting is a cause for at least one of the following: loss of academic points, failing grade, detention, suspension, or expulsion. Severity of discipline will depend on the record of the student and the frequency of the offense.

The administration feels that a student assuming the responsibility of leadership also assumes an obligation to set a correct example for his/her peers. Offenses for cutting class are:

1st Offense: Overnight Suspension (The parent is required to return with student before he/she can be readmitted to the class.)
2nd Offense: The student is suspended for one day.
3rd Offense: The student is suspended for two days.

Habitual cutting may lead to a recommendation for expulsion.
Note: Once arriving on campus, students must not leave unless they properly check out through the main office. The penalty for leaving without permission will be 2 days suspension on the first offense and 3-5 days suspension on offenses thereafter.

**In-School Suspension (ISS)**

At schools where this is available: At any point in time, in-school suspension may be used in lieu of other disciplinary action. This will be at the administration’s discretion. Students assigned to ISS will eat lunch with the In School monitor at a different time than the remainder of the student body. Students will remain quiet and orderly for the entire day. Being sent from ISS for disruptive behavior will result in at least a (1) day suspension.

**Lockers**

Students are to go to the lockers only at the beginning of school, during lunch or after school. No student is allowed to go to lockers during class time.

**Locks**

A lock will be issued to every student. The student is to keep the lock on his/her locker at all times. Under no circumstances is the lock to be taken off the locker. A charge ($5.00- $8.00) will be assessed to a student to replace any missing lock issued to a student. Any lost, misplaced, or stolen locks must be paid for in order to receive a new lock.

1. **Only School Issued Locks** should be on lockers at all times. Other locks will be removed.
2. Lockers should be kept clean and free from trash and papers.
3. No signs, stickers or writing are allowed on the outside of lockers.
4. Articles of value should never be kept in lockers.
5. The lock is to be locked and secured at all times.
6. The school is not responsible for anything missing from the lockers. Lockers are the property of the school and are subject to searches at the discretion of the administration.

**Loitering**

When leaving one class and going to the next, students are to take the most direct route. Upon arriving at class, students are to enter the room and remain unless given written permission by the teacher to leave.

- There will be no loitering in the halls, cafeteria or the gym.
- There will also be no loitering after school hours.
- There will be no loitering after athletic events or special programs.

Violation of this policy, after a warning, can lead to overnight suspension or other appropriate disciplinary actions deemed necessary by the administration or SRO.

**Prohibited Articles**

Students may not have any articles which may be hazardous to the safety of others. Such articles would include, but not be limited to, pocketknives, multi-tools with knife blades, sharp objects, or weapons of any kind.

**Property**

Students should take pride in the appearance of their school. As members of the school community, students assume responsibility for proper care of all school property. Those causing any damage will be held fully responsible for restitution and subject to disciplinary action. In some cases there is the possibility of a warrant being issued.

**Public Display of Affection**

Public displays of affection are not allowed. Public displays of affection are defined as, but not limited to, hugging, kissing, sitting on laps, etc. Violators will be referred to the appropriate administrators.
Electronic and/or Communication devices

Policy JF: An electronic communications device is defined as a device that emits an audible signal, vibrates, displays a message, or otherwise operates to summon or deliver communication to the possessor (e.g., pagers, cellular phones, laser pointers, or any other such device that may present a safety concern). Paging devices may be carried only by those students or staff members who are members of emergency response teams or who have personal medical reasons, as certified by a physician.

During regular school hours, cellular phones brought onto any school campus by a student must remain out-of-sight, turned off, and not activated.

Principals and/or law enforcement authorities have the right to confiscate electronic communication devices possessed by students in violation of this policy.

Consequences for violating the Electronic Communication Devices Policy

First violation: Parents will be contacted to pick up the electronic communications device and the policy will be explained to the parents.
Second violation: The electronic communications device will be confiscated by the administration until the end of the semester, but not less than thirty (30) days.
Third violation: The electronic communications device will be confiscated until the end of the school year, but not less than thirty (30) days.

Students Remaining After School

Any student remaining after the regular school day must be under the direct supervision of a faculty/staff member. This means that the student must be in the presence of the coach, sponsor or faculty/staff member that required him/her to stay after hours. Students will not be allowed to remain unsupervised at school in order to attend or participate in extracurricular or athletic events. Students remaining after school are still under school district policy guidelines.

Tobacco Products

Policy JF: The Board decrees there will be no smoking or use of tobacco, e-cigarettes or vaporizers in any form by students while under the jurisdiction and supervision of the school whether at or away from school. Students will not bring any tobacco, smoking materials, e-cigarettes, vaporizers or tobacco products onto school grounds or to a school-sponsored function. All materials will be confiscated and the parents and the school resource officer will be notified. Students and parents should be aware that the possession of tobacco, e-cigarettes, vaporizers or tobacco products by persons under the age of 18 is unlawful. Students who are in possession of such may be assessed a fine by the school resource officer, or at the officer’s discretion, be required to participate in a smoking cessation program or in community service. Any student who fails to pay the fine, or to participate in a smoking cessation program or in community service also may have their driving privileges delayed or restricted. Students who repeatedly violate the District’s tobacco products policy also will be subject to disciplinary action, including the assignment of detention or suspension from school.

Visitors

Students are not permitted to bring visitors to school without the prior approval of the administration. All visitors must report to the office immediately upon their arrival. Students from other school districts are not allowed to visit during lunch breaks and should not be on campus before or after school to visit.

Clubs

Students are encouraged to become involved in extra-curricular activities. There are many clubs offered at the four Georgetown County High Schools. Check with the schools for details.
